

CHELSEA MODEL UNITED NATIONS

The Principal,

Subject: Invitation for 6th Chelsea Model United Nations 2023

Respected Sir/Ma'am,

After the successful completion of 5th Chelsea Model United Nations in 2021, it gives us great pleasure to be inviting your esteemed institution to the 6th iteration of Chelsea Model United Nations, due to take place on March 2, 3 and 4. This year, we come with a revamped, better version of Chelsea Model United Nations, and we are going to be initiating some exclusive activities resonant with MUN's Rules Of Procedure. We have also planned to host delegates from other provinces.

Delving into the specifics, there are going to be eight committees with about 15 delegates in each committee. The eight committees are going to be the UNHRC, DISEC, SOCHUM, UNEP, ECOFIN, IP, Security Council and a special one Marvel vs DC committee. The registration cost for each delegate is fervently reasonable i.e, Rs 2500/- only. Also, as a specialty, there will be social programs on each day of the MUN, with special guest artists, Masquerade dance and more. However, social nights aren't compulsory.

We are delighted to announce to you that the best delegation shall be receiving awards for their outstanding performance. Each individual merit shall grant the delegation certain points, depending on the magnitude of the merit.

If you have any confusion regarding some of the terms used in this letter, or about functionality of MUN in general, please feel free to contact the organizing committee of Chelsea Model United Nations through our school, email or by leaving a message on our Instagram page. We humbly request you to take part in Chelsea Model United Nations, as we are confident that it is going to be a fruitful and memorable time for each and every one of your students!

**Thanking you,
Organizing Committee**
